SUBJECT: TITLE III FEDERAL REALLOTMENT FUNDS FOR 1998-99

Attached is the list of Service Delivery Areas (SDA) eligible to receive Job Training Partnership Act (JTPA) Title III federal reallocation funding for Program Year (PY) 1998-99 (reference JTPA Directive 93-17). These funds have been recaptured from other states based on inadequate prior expenditure rates and redistributed by the Department of Labor (reference JTPA Section 303). The funds are available to eligible SDAs based on a formula allocation (Attachment 1).

All reallocated funds are subject to the minimum utilization requirement for the PY in which they are reallocated. Therefore, these funds are subject to the 80 percent expenditure requirement by June 30, 1999, and 100 percent by June 30, 2000. If your SDA wishes to decline the reallocation funds, please notify your assigned program manager by telephone by April 19, 1999 (Attachment 2). This telephone call should be confirmed through a letter signed by the SDA administrator. If you do not contact your program manager by April 19, 1999, unilateral modification will be initiated to include these funds in the PY 1998-99 Title III Master Subgrant. Funds that are not accepted by the SDAs will be returned to the Title III formula account for redistribution based on need.

Planned use of these funds must be reflected in the SDA Title III Substate Plan. Therefore, an adjustment to your plan is required. Substate Plan adjustment instructions are detailed in JTPA Directive 95-31 dated March 6, 1996. This adjustment can also include all other available Title III funding that is not currently included in the plan.

If you have any questions or wish to decline the reallocation funding, please call your assigned program manager.

/S/ BILL BURKE
Assistant Deputy Director
